---

I am a web UX UI Designer who loves creating empathetic, meaningful, trustworthy user experiences via designs. I not only have design experiences in web and mobile but also have adequate knowledge and practices of business thinking, project management, digital marketing, graphic design and photography. I am actively looking for a new interesting and challenging role.

## EXPERIENCE

01/2020 – PRESENT

### WEB UX UI DESIGNER, ETRADEMYANMAR CO., LTD

- Created professional websites for clients/enterprises by research, ideation, user-flow, task-flow, sitemap, wire-framing, mock-ups, prototyping, helping development and testing.
- Made sure each design meets the design brief and delivers great user experiences.
- Worked on graphics and photos for websites.
- Redesigned and updated websites with team.

09/2018 – 01/2020

### FREELANCE PHOTOGRAPHER

- Direct poses, discuss, shoot, edit and deliver high quality photos (mostly portraits).
- Freelanced mainly in Singapore and Myanmar.

## EDUCATION

2017-2019

### BACHELOR'S DEGREE IN COMPUTER SCIENCE, COVENTRY UNIVERSITY

Upper Second Class with honour's

2015-2016

### PEARSON BTEC LEVEL 5 DIPLOMA IN COMPUTING IT

Merits

2020 NOV

### AGILE CRASH COURSE CERTIFICATE FROM UDEMY

2020 DEC

### FUNDAMENTALS OF DIGITAL MARKETING CERTIFICATE FROM GOOGLE DIGITAL GARAGE

## SKILLS & TOOLS

- User Experience Design
- User Interface Design
- Web & Mobile Design
