I am a designer who loves creating empathetic, meaningful, trustworthy user experiences via designs. I am actively looking for a new interesting and challenging role.

EXPERIENCE

01/2020 – 12/2020

WEB UX UI DESIGNER, ETRADEMYANMAR CO., LTD

- Created professional websites for clients/enterprises by research, ideation, user-flow, task-flow, sitemap, IA, wire-framing, mock-ups, prototyping, helping in development and testing.
- Made sure each design meets the design brief and delivers great user experiences.
- Worked on graphics and photos for websites.
- Redesigned and updated client's websites, company's website with team.

06/2020

FREELANCE UX UI DESIGNER (TOP-UP), OOREDOO MYANMAR

- Research, identifying users' needs/ pain points and ideation.
- Created users' journey maps (pack purchase and top up)
- Created wireframes and mock-ups.
- Updated overall UX copy of an app (English version) and fixed minor UI inconsistencies.
- Side project for Version 8.0.0 of Ooredoo Myanmar app (weekly basic).

09/2018 – 01/2020

FREELANCE PHOTOGRAPHER

- Direct poses, discuss, shoot, edit and deliver high quality photos (mostly portraits).
- Freelanced mainly in Singapore and Myanmar.
